Dear Friends,
What a beautiful season of reconnecting we have experienced! 2022 has been defined by multiple family weddings and first meetings of grand nieces and nephews born over the pandemic years. We are so grateful for the hugs and face-to-face conversations that this year has brought back.

We were thrilled to welcome many visitors, young and old, to our new West Vancouver home, showing them our beautiful beaches and mountains. A sad note in August was saying goodbye to our beloved dog Bailey, who faithfully brought us through the years of preteen family life, pandemic life and finally the university graduation of our youngest child, Chelsea.

Bailey's resting place at our and end of 11 precious years as part of our family! Sharon is enjoying her job at BC Children's hospital and has been kept busy as health concerns shift from an adult COVID focus to a pediatric respiratory epidemic.

Jim has busied himself relearning his highschool trombone skills to play in the West Vancouver Concert Band, and playing guitar for worship band at North Shore Alliance Church where we have found a new community home. Our boys, Jonathan and Bryson, enjoy great jobs in Toronto, take care of our Muskoka cottage and keep us connected to our extended families in Ontario, especially at Thanksgiving!

Sharon, in her faculty role at UBC, had the privilege of congratulating Chelsea on the stage of the Chan Auditorium, as Chelsea graduated with a double major in music and psychology. Post graduation, Jim & Chelsea enjoyed a road trip adventure to San Francisco, where they met Sharon to celebrate her birthday at the end of a medical conference. We are grateful for ongoing good health of Sharon's parents, Horst & Ruth, with many hikes and skiing during their visit in April & a lovely 60th wedding anniversary celebration on a Georgian Bay cruise in August.

We wish all of our family and friends good health, peace and joy for this season and 2023!

Much love, Sharon & Jim Dell
